

<<How to Use the Town Bus>>

- 1 There are two kinds of town bus:
 - **Commuter Bus** (Teiki bus): leaves from Miyashita Station at scheduled times.
 - **Demand Bus**: runs by reservation only.
- 2 The commuter bus bound for “**Mishima Juku Roadside Station**”(nearby “**Tadami River First Bridge Viewpoint**”) leaves Aizu-Miyashita station at 8:10.
- 3 The demand bus bound for Aizu-Miyashita station requires reservation. Please apply to the staff at “Mishima Juku Roadside Station “before you climb up to the viewpoint. (Reservation application forms are available at Mishima Juku. Mishima Juku opens at 8:00.) If there are no reservations, the demand bus will not run.
- 4 **The demand bus** leaves “Mishima Juku Roadside Station” at about 10:20 and 13:20. As others may have requested the use of the demand bus, the departure time may be earlier or later than expected, so please wait at the bus stop 5 minutes before the appointed departure time.
- 5 For both the commuter and demand buses, the one-way fare is ¥500 for adults and ¥300 for children(under 12 years). Please pay the driver upon getting off the bus.
- 6 **The commuter bus** takes about 5 minutes to reach the final destination.
The demand bus takes about 5-10 minutes to reach the final destination.
